SPRING 2009

Proposed Link light rail neighborhood parking plan for Southeast Seattle station areas

Sound Transit's Link light rail trains begin carrying passengers between downtown Seattle and Tukwila through the Rainier Valley July 18, 2009. The rail connection from Tukwila to Sea-Tac Airport will open in December 2009. In Seattle, trains will stop at Westlake, University Street, Pioneer Square, International District/ Chinatown, Stadium, SODO, Beacon Hill, Mount Baker, Columbia City, Othello and Rainier Beach stations.

In anticipation of the new train service, the Seattle Department of Transportation (SDOT) and Sound Transit worked for over a year with community members to design new on-street parking regulations. The regulations are meant to prevent transit riders from using the on-street parking spaces needed by local residents and businesses.

The Parking Plans

After many months of working with station area residents and businesses, SDOT is installing new parking regulation signs on streets around the light rail stations at Beacon Hill, Mount Baker, Columbia City, Othello and Rainier Beach. Plans for the Stadium and SODO stations are still being developed.

New regulations — Restricted Parking Zones (RPZs) and Time-Limit Signs

As shown on the maps for each station area, new on-street parking regulations will include:

Restricted Parking Zones and permits

In RPZ zones, on-street parking is limited to a few hours for vehicles without a valid permit or quest pass.

- Most blocks in the light rail RPZs will allow two or four hour visitor and customer parking and all-day permit parking for local employees and residents.
- RPZs will be enforced from 7 a.m. to 6 p.m. Monday through Friday. Vehicles without a valid permit or guest pass can park up to two or four hours, as allowed by posted signs.
- Residents in the zones are eligible for an RPZ permit for each vehicle registered to their address. Each household is also eligible for one guest permit.
 - To ease the transition to new parking regulations, each household and business in the RPZ can get up to two permits at no cost. These permits can be used until Spring 2011.

- Employees working in the zones may be eligible for permits; SDOT is designing a pilot program to be in place before light rail service begins in July.
- In Spring 2011, all households and businesses renewing RPZ permits will pay the RPZ permit fee.
- Additional permits currently cost \$45 per vehicle for two years.
 Low-income permits cost \$10 for two years.
- Low-income permits are available to households receiving financial assistance to pay food, housing, energy or medical bills.

Time-limit signs and load zones

- New two-hour time limits will be installed next to some retail businesses so customers and visitors can find parking more easily.
- Existing 1-hour and 2-hour time limit signs will remain unchanged.
- Businesses can request a load zone for their delivery and shortterm customer needs by calling 206-684-8186.

Monitoring and changes to Link light rail parking plans

Installation of the plans shown in this mailer began in April. After Link light rail service begins in July, SDOT will continue to work with station area neighborhoods to monitor parking conditions and adjust parking controls as needed. If SDOT considers changing the plan for your block, a letter will be sent to your address requesting your comments.

Please call SDOT at 206-684-8186 or email lightrailparking@ seattle.gov to:

- Discuss Link light rail parking plans
- Request that parking controls be added, removed or expanded
- Get answers to questions about RPZ permit costs and applications.

What to expect next

Starting April and continuing into July:

Installation of signs begins in Rainier Beach and moves north through each station area.

What you'll see:

- Colored paint markings and flags on sidewalks and curbs showing planned sign locations
- SDOT crews installing posts and signs

For answers to your questions about signs and installation call 206-684-8186 or email lightrailparking@seattle.gov.

Beginning in May:

RPZ applications will be mailed to eligible residential and business addresses. Please submit completed application by mail or in person by June 1 to receive permit(s) before light rail service begins in July. SDOT expects to mail RPZ applications to businesses in June, pending City Council approval of a pilot program. For more

information, visit www.seattle.gov/transportation/parking/rpz_policy_review.htm.

What you'll receive:

• If your address is within the RPZ, you will receive an RPZ application and return envelope. The application provides directions for applying for permits by mail or in-person at the Seattle Municipal Tower, at 700 5th Avenue in downtown Seattle.

For answers to your questions about RPZ permits call SDOT's Traffic Permit Counter at 206-684-5086.

Enforcement of new RPZs begins Monday, July 20, 2009

What you'll experience:

- The Seattle Police Parking Enforcement Unit will incorporate the RPZs into its scheduled patrols.
- You are the best parking enforcement resource please call the Seattle Police Department non-emergency number at 206-625-5011 to report illegal parking.

Maraming mga kalye sa Link light rail station (estasyon ng tren) na komunidad ay magiging restricted parking zone (RPZ) (restriktado o limitadong paradahan) at/o may mga panibagong limit sa oras. Ang mga RPZs ay pumuprotekta ng paradahan sa kalye para sa mga residente at mga kalakal mula sa mga sumasakay sa light rail. Upang makaparada sa mga kalye sa komunidad ng masmatagal sa nakalagay na limitsayon sa oras, and sasakyan ay kailangang magpakita ng City of Seattle RPZ permit. Upang mapadali ang transisyon tungong sa mga bagong regulasyon para sa pag-parada, bawat sambahayan at kalakal na nasa RPZ na boundary (hangganan) ay maaaring makakuha ng hanggang dalawang permit na walang bayad. Ang mga permit na ito ay maaaring gamitin hanggang Spring 2011. Dagdag na permit ay kasalukuyang may presyo na \$45 bawat sasakyan. Permit para sa mababa ang kinikita o sweldo ay \$10. Ang mga bagong karatula ay ikakabit simula sa Abril 2009, at ang mga adres sa loob ng sona(zone) ay makakatanggap ng aplikasyon para sa permit sa pamamagitan ng sulat sa Mayo 2009.
